**FORM 3A
WORKERS' COMPENSATION AND INJURY MANAGEMENT ACT 1981
(Section 57A (3) (a))
INSURER'S NOTICE THAT LIABILITY IS ACCEPTED**

Date of Injury by accident or approximate date of onset of condition: 24 February 2022

Nature of incapacity:	Sprain - Right ankle
Employer:	Nateis Contracting Pty Ltd
Date claim made by employer:	20 March 2022
*Claim Number:	PE2201399

In respect of the above claim you are notified that liability is accepted at the rate of \$1,535.54 gross per week for the first 13 weeks of incapacity and thereafter at the rate of \$1,498.49 **(to be paid by the employer)** in respect of the weekly payments claimed by you.

Medical expenses will be paid directly by QBE on receipt of accounts. These expenses will be funded at the prescribed WorkCover WA rate. It is suggested that you enquire about the fee with the provider before treatment, to ensure you are aware of potential personal liability to a provider for charges above the prescribed fee.

Compensation should be paid at the rate indicated above, from the date the doctor certified you totally unfit for work. If the incapacity continues, compensation should be paid on regular paydays, but not in advance, and only for the period covered by medical certificates.

QBE will refund the employer on receipt of a reimbursement invoice advising details of time lost and compensation paid to you. Reimbursement invoices are to be submitted by the employer every four weeks as a maximum.

Should you return to work and suffer a recurrence, which causes you to be off work again, the employer may not pay weekly compensation without our approval.

Signed on behalf of the insurer :
