Let's Collaborate

If you print and build this model, we'd LOVE to see it!

Please record short clips during your build process:

- Printing
- Removing supports
- Assembly
- Painting
- Final reveal / wearing it

Just a few seconds per stage is perfect.

Upload your clips to Google Drive and send the link to:

 **do3d.com@gmail.com**

We'll edit the video and share it across our social platforms with full credit to you.
