

👍 Please tell your friends about Do3D's awesome FREE files! Your support encourages us to keep giving away free files. THANK YOU for your amazing support. 🙏

⚠️ All magnet slots are optional, so you can choose to glue them during assembly, except for the one that secures the top cover. *Yellow arrow

Please consider getting our classic Deadpool wearable helmet at <https://www.do3d.com/product-page/deadpool-helmet-with-built-in-fabric-textures-3d-printable-model-file-p805>

It comes with a variety of eye expressions, and we are continually adding more. Additionally, there are leather-textured eyes available. You can use it for cosplay or life-size prop display. As it is modular, we are adding variations such as a Wolverine plug-in and more.

Please also check the list of 3D printers and supplies that we frequently use at <https://www.do3d.com/post/what-3d-printers-and-essential-supplies-does-do3d-recommend>.

Thank you very much for your support. If you have any questions, please let us know at info@do3d.com

License (personal): If you received this file for free during our promotion, it is strictly for test printing and personal use.

☀️ Make sure you're connected with us on all social platforms! We've got some thrilling surprises coming up for each channel in the weeks ahead. Stay tuned!
