1. Independent & Honest Evaluation

I agree to review the provided product with full honesty and transparency. All opinions expressed in the review will be based solely on my personal experience with the product and will not be influenced by sponsorship, incentives, or external pressure from the company or brand.

2. No Bias or Obligation to Provide Positive Feedback

The delivery of this product does not guarantee a positive review. Feedback may include criticism, identified flaws, recommendations for improvement, and any limitations found during use.

The review may be delivered in written, video, or social media format at my discretion

unless otherwise mutually agreed upon in writing. I retain full creative control over the presentation.

Unless stated prior to delivery, all products sent for review are assumed to be non-returnable and become my property. If the brand requires the product to be returned after review, **the brand must cover all shipping and return costs**, including packaging, courier fees, customs fees (if applicable), and insurance.
